

# Happy Easter!

Thank you for shopping online with Woolworths.

For an EGGciting Easter egg hunt at home, just print out this sheet, cut out the clues and stick them to your Easter Eggs.

The hunt is on, it's time to think! I'm in the cold place where you keep food and drinks.

Don't turn it on, or I'll go round and round! Where your clothes are washed is where I'll be found.

If it's cold outside, better put on a sweater! I'm hidden where the Postie delivers our letters.

Turn on the tap and get yourself a drink - there you'll find me, under the s\_k.

It's a comfy place to sit, but don't squash me - ouch! You can find me on the c\_ch.

I'm hidden where you rest your sleepy head. Come and find me, I'm in your b\_d.

Nice job! Your hunt has come to a close. Come find your treasure where you keep your clothes!

You're over halfway - good on you! The next one is hidden in one of your shoes!

Well done! You're almost there. I'm hidden in the place where you wash your hair.
