Will Pelotonia be providing transportation for Riders?

PELTONIA®

Buses will return Riders from their chosen finish areas to their cars at McFerson Commons or Pickerington North High School on both Saturday and Sunday. Pelotonia has done its best to anticipate the flow of Riders during the event and has planned the shuttle schedule from each finish area accordingly. Please understand that to run the shuttles efficiently, you must fill a shuttle bus before it will leave the finish area. Thus, if you are a Rider who finishes your ride well in advance of the other riders in your group, you may have to wait a bit longer than the others for your shuttle to leave. Please be patient with this process. We will provide ample food and beverages while riders are waiting for a shuttle to fill. If you know that you must leave your finish area by a specific time, please consider having someone meet you at your finish line to transport you and your bike back.

Will there be overnight bike parking available?

Overnight bike storage on Friday will be available during Pelotonia Opening Ceremony for Saturday Riders starting at McFerson Commons, and will be available for two-day overnight riders inside the Kenyon Athletic Center on Saturday night. There will be no overnight bike parking available for riders starting at Pickerington North High School or New Albany Schools. Riders starting from these locations should make plans to bring their bikes with them to the start on Saturday and Sunday mornings.

Will there be luggage drop-off at Opening Ceremony?

Yes, luggage drop-off will be available on Friday evening at Pelotonia Opening Ceremony. Riders can also choose to drop luggage off at their starting location.

How much is the Ride Weekend registration fee for Riders?

All Riders pay a registration fee to help cover the cost of the food, drink, event support, and swag they receive during Ride Weekend. This year's registration fees are set for the following dates and participation:

March 1st - May 15th: \$129

May 16th - July 6th: \$179

July 7th - August 4th: \$229

If registering for both Ride Weekend and Gravel Day, an additional \$50 will be added to your Ride Weekend registration fee.

How do I change my route after registering?

To update your route, log into your profile at pelotonia.org/sign-in. You will be taken to your participant profile where you can edit your route by scrolling down and clicking 'Edit' in the 'My Route' section. Here you can choose your new route of choice by clicking on the new route you would like to ride and hitting save.

Please note, the deadline to decrease or withdraw from the event is 11:59 PM EST on July 6, 2023. After this date, Riders can choose to decrease their route distance but their fundraising commitment will not be able to be decreased.

What is a High Roller?

High Rollers are Pelotonia's biggest fundraisers. These individuals set big goals and thrive in the quest to make them happen.

Pelotonia participants can commit to the High Roller fundraising minimum of \$5,000 in their personal profile and will be acknowledged as a High Roller if they maintain a minimum of \$5,000 in donations after the fund-share period. By committing to raising \$5,000 as a High Roller you're agreeing to having your credit card charged for the remaining amount if it isn't met by midnight on Sunday, October 15, 2023.

Can I register for Gravel Day in addition to Ride Weekend?

Yes! Riders can participate in both Ride Weekend and Gravel Day. If adding Gravel Day to any Ride Weekend route, the Rider's fundraising commitment will increase by \$1,500. High Rollers (\$5,000 fundraising minimum) will be able to participate in both events at no additional commitment increase. Please note, Riders who choose to participate in both Ride Weekend and Gravel Day cannot share funds below their set commitment, nor can they receive funds to get to their fundraising commitment.

Riders do not need to create a separate fundraising profile to participate in both events. If adding a Gravel Day route to your existing Ride Weekend registration, go to pelotonia.org/register and log in to the account that holds your current Ride Weekend registration. Once you are logged into the registration process, select Ride in Gravel Day option and complete the registration process.

Can I withdraw from Ride Weekend?

Any registered Rider or Challenger must withdraw their registration by 11:59 PM EST on July 6, 2023, to be removed from their minimum fundraising commitment. You can withdraw registration by clicking "Edit Profile" at the top of your Pelotonia profile, then scrolling down to "Cancel Registration" and clicking the edit button.

Riders and Volunteers can withdraw by selecting "Edit" on your route or shift, unselecting the option you wish to withdraw from, and clicking "Cancel All". For more information on changing your commitment or to withdraw, please email Carolyn Appelhans at cappelhans@pelotonia.org. Remember, all participants have until Sunday, October 15, 2023, to reach their fundraising commitments.

Please note that in the event of a canceled registration, any donations received by a participant as of the date of their cancellation are not refundable to that participant or their donors. The Rider registration fee is not refundable or transferable.

Some more current road bikes (likely sold in the last five years) allow for more robust tires which is key for safety and the best experience during Gravel Day. The minimum tire width we would recommend is 32mm (i.e. 700x32c). Hardtail mountain bikes would also be a great option that would allow for better handling, more robust tires and a really fun experience.

With the growth of electric bikes and pedal electronics in the biking community, the use of these technologies is welcome in Pelotonia. Please note, though, that no fully motorized bikes which use a throttle are allowed on the Pelotonia route and all electric bikes must have a freely operable pedaling system: rear wheel drive train of pedals, crank, chain and gear system. Gravel Day routes will include a fair amount of climbing and eBikes are a wonderful way to enjoy these routes.

To see which pledged donations have not yet been received by Pelotonia, log in to your profile page to view your Donor list under “Donation Activity”.

Pelotonia will send an automatic pledge reminder every two months after a donation has been pledged. We also suggest that you follow up with the Donor on your own (sample language can be located in the 2023 Fundraising Toolkit) via email, phone, text or letter. You may also reach out to pelotonia@pelotonia.org for one-on-one assistance following up with your pledged Donors.

Sure! Just email us at pelotonia@pelotonia.org and include the following information: participant name, Donor name, date of the donation and desired recognition name.

What is the Forward Fund?

The Forward Fund, previously known as the General Fund, is a way to donate to Pelotonia without choosing a specific Pelotonia participant to give to. 100% of donations made to The Forward Fund are directed to innovative cancer research initiatives that keep the field moving **forward** in the fight against cancer.

Can I make a monthly gift?

Yes! You can make a recurring monthly gift at a minimum of \$5/month to a participant or the Forward Fund [here](#).

How can I edit/cancel my monthly gift?

Monthly gifts cannot be edited, but Donors are welcome to cancel their existing gifts and create new ones if they would like to modify their recurring donation amount. To cancel a recurring monthly gift, simply log in to your profile here and visit the “My recurring gifts” section of your profile.

As a Pelotonia participant, will funds that are donated to my fundraising via monthly gift be distributed to my account outside of the time period when I'm registered?

Donations made to your account outside of when you're registered will be in your account when it comes time for you to register.

Matching Gifts

How do I submit a request for my gift to be matched?

Many employers match the charitable contributions of their employees. This is a great way to supplement the money you are giving to a participant or peloton. To begin this process, you will first need to determine if your employer accepts matching gifts. Utilize the search tool on the [Matching Gifts page](#) of our website or look on your employer website. If you confirm your employee does match gifts, please submit it under Pelotonia's Tax ID # 82-4997087. You must direct the matching gifts to Pelotonia using the address below:

Pelotonia

450 W. Broad St.

Columbus, OH 43215

Phone: 614-221-6100

Tax ID #: 82-4997087

How long will it take for a matching gift to be processed?

The matching gift submission, verification and disbursement process can take an extended period of time and varies by company. Some companies will approve and pay out a matching gift request quickly after the submission date, and others **may take up to a year**. It is important for you to familiarize yourself with your company's matching gift policy and procedures so that you understand when Pelotonia is likely to receive the funds, as this can affect the fundraising commitment of the participant you are supporting. We encourage you to apply for your matching gift as soon as possible to ensure your funds have the best chance of arriving into your account before the fundraising deadline for 2023.

When does my matching gift need to be received by Pelotonia in order to count toward a participant's non-binding fundraising commitment?

PELTONIA®

Your matching gift funds must be received by Pelotonia by Sunday, October 15, 2023, in order to count toward a participant's fundraising commitment.

Does my employer participate in a matching gifts program?

Use the search tool on the [Matching Gifts page](#) of our website to find out if your employer participates in a matching gift program. Simply type in the name of your employer and click the employer name to find out more information on the matching gift program. If you do not see your company or have further questions about matching gifts, please email matchinggifts@pelotonia.org or call 614-507-2459

Why can't I be a member of more than one Peloton?

Fundraising

Why does Pelotonia ask for my credit card?

Each Rider must pay a non-refundable registration fee that does not count toward his or her minimum fundraising commitment. This is charged to your card when you register. Additionally, if the Rider's minimum fundraising commitment is not met by midnight on Sunday, October 15, 2023, the Rider's card will be charged for the remaining amount.

How do I fundraise?

Pelotonia provides many great tools to help you reach your fundraising goals. When you register, you will automatically generate a customized profile, which allows you to add pictures and tell others why you are participating. Direct your donors to this profile so they can donate directly to your fundraising efforts via online payment or pledge to send a check.

Please see the [Fundraising Page](#) on our website to download our Fundraising Toolkit and sample donor solicitation letters to inspire your outreach.

What is the fundraising deadline?

Riders, Challengers, and Volunteers have until Sunday, October 15, 2023, to raise funds for Pelotonia 2023.

Can I use Pelotonia marketing materials for my personal fundraising efforts?

Yes, you are able to use Pelotonia's logos for your personal fundraising efforts. Please send any final designs that use Pelotonia's assets to Ellie Madison at emadison@pelotonia.org for approval before publication or production. Please click [here](#) to access the Pelotonia 2023 Asset Kit.

Would you recommend hosting a Facebook fundraiser?

We recommend linking directly to your Pelotonia account on Facebook vs. hosting a Facebook fundraiser. This ensures that you receive your donation immediately to your Participant profile and that your Donor receives a tax receipt directly from Pelotonia. If you choose to host a Facebook fundraiser, we have some simple steps outlined [here](#) to follow to help get your donations processed quickly.

What do I need to do after setting up a Facebook fundraiser?

Once your Facebook fundraiser has ended, please email jgoldbach@pelotonia.org with a list of the Donor's names and the amounts they raised.

After your fundraiser ends, Facebook will provide Pelotonia with a report with different fundraisers held. The information we receive always includes the amount and the Donor name, but sometimes doesn't tell us the "host" of the fundraiser. Your emailed report will ensure we can track donations to your fundraiser quickly and easily. Please note that it can take a month or more for your Facebook fundraiser donations to hit your profile.

Will Pelotonia issue a tax receipt from my Facebook fundraiser?

No. Pelotonia doesn't actually receive the Donor's information from Facebook. Facebook, however, sends donation receipts to those who donate through a Facebook fundraiser. Please consult with your tax advisor on these donations.

If I'm not a Rider and want to create a fundraiser and direct the funds to a Rider, can I do that?

Yes, you would need to contact us with your fundraising information, Donor names and amounts. Please see the question: [What do I need to do after setting up a fundraiser?](#)

When will funds arrive to my Pelotonia account after I've hosted a fundraiser?

Please give yourself at least one month from the end of your Facebook fundraiser to see your funds in your account. Pelotonia Facebook fundraisers need to be completed by August 31, 2023, to ensure they hit this year's fundraising deadline of Sunday, October 15, 2023.

Are there fees associated with Facebook Fundraisers?

There are no fees associated with Facebook fundraisers.

How do I give to Pelotonia through Instagram?

On Instagram stories, you can now add a 'Donate Button'. Once you add that button to your story, you will want to search for Pelotonia's Instagram and link Pelotonia to your donate button. After you post your story, your link will be accessible and the giving process will stay within Instagram.

How will I allocate an Instagram donation to a Rider?

Unfortunately, there is no comment box to note your Participant ID when giving through Instagram. Similar to Facebook Fundraisers, you will want to ensure donors send an email to jgoldbach@pelotonia.org in order to get those funds allocated correctly.

How long will it take for the funds to get to Pelotonia?

Funds can run 1-2 months behind before they reach your profile. Having your Donor's email or direct messaging us with the Rider information will ensure we get these funds allocated toward your fundraising as soon as possible.

Who will issue my Instagram Donation tax receipt?

At the time the donation is made, a tax receipt will be emailed to the address that is linked to the Donor's Instagram account. This will come from Instagram, not Pelotonia.

Can I link my Kroger Community Rewards to Pelotonia?
