

### Pelotonia Legacy Gift Form

Bequests, or gifts by will or trust, are one of Pelotonia’s most important sources of individual support. These types of gifts can fund many areas, including Pelotonia Operations and Pelotonia’s mission to fund cancer research at the Ohio State University Arthur G. James Cancer Hospital and Richard J. Solove Research Institute.

Gifts via will or trust can be made in the form of a specific cash or property gift, specific asset, or a percentage or remainder of your estate. You can use the following sample bequest language in your will or trust:

*"I give (insert specific amount, specific asset, percentage, or remainder of estate) to Pelotonia, or its successor, to benefit (Pelotonia Operations, Cancer Research Initiatives or a combination of the two) or as further designated by me in writing to Pelotonia."*

If you are considering a gift through a will or a trust to Pelotonia and would like to receive more specific language to ensure that your exact intentions are carried out, a member of the estate and gift planning team would be happy to work with you and your advisor. Please contact Nick Denby at [ndenby@pelotonia.org](mailto:ndenby@pelotonia.org) with any questions.

Alternatively, the following form can be completed and remitted to the following email address: [ndenby@pelotonia.org](mailto:ndenby@pelotonia.org). The Pelotonia Team will follow up on all submissions and we thank you for your support.
