BUZZ

Design by Olle Anderson

A luminaire series with the flexibility of use

By the 1960s, the development of luminaire series had become an important cornerstone for ateljé Lyktan in the launch of new products. Olle Anderson has created a lighting series for corporate environments, the assignment for which was to develop a series of luminaires with good lighting, with designs that allow flexibility of use. Allow us to present Buzz – a luminaire series in five variations.

Buzz is available in ceiling, pendant, wall, table and floor models and comes in different colours. “The material and finish were selected based on the design traditions of ateljé Lyktan”, says Olle Anderson. “Design that last”.

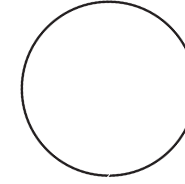

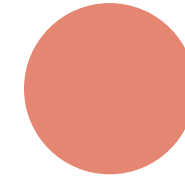

Standard finish

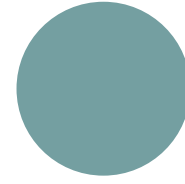

Black
RAL9005

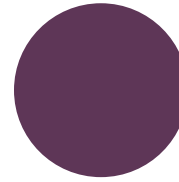

White
NCS S0500-N

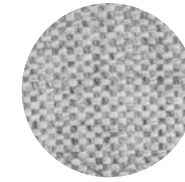

Salmon pink
NCS S2040-Y80R

Turquoise
NCS S3030-B30G

Dusty purple
NCS S5040-R30B

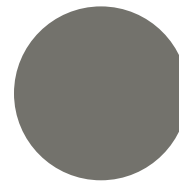

Grey textile

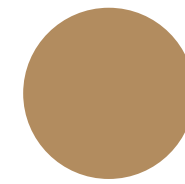

White textile

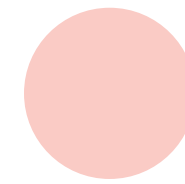

Optional colours

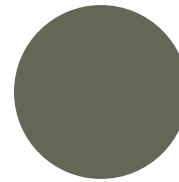

Grey
NCS S5502-Y

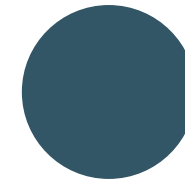

Champagne
NCS S 3030-Y20R

Dusty pink
NCS S1515-R

Dusty green
NCS S6010-G70Y

Dusty blue
NCS S6020-B

Product information

Material	<p>Metal body, white matte finish. Shade in painted aluminium with white reflecting material/white foil on the inside.</p> <p>Stand and footplate in chromed steel.</p> <p>Buzz textile: Stand and footplate in chromed steel.
