MEETINGS & EVENTS

Convene Hamilton Square is centrally located in Downtown Washington D.C. just steps away from the White House and the National Mall. The venue spans 23,000 square-feet and features six unique meeting rooms, the largest of which has a max capacity of nearly 288; it is ideal for user conferences, policy summits, and government meetings.

The landmarked building is the former site of the iconic Garfinckel's department store and the design of the venue pays homage to the property's rich history. Convene Hamilton Square provides a white box space allowing for client and event branding opportunities, in-house catering with customization options and dining private to each event, in-room A/V technology supported by an on-site team, and dedicated hospitality resources.

The location is in close proximity to multiple metro stations and offers nearby paid parking.
