Sancroft, St. Paul's

convene

Centrally located in Paternoster Square, Convene Sancroft, St. Paul's is a one-of-a-kind venue with impressive scale. The location features a total of seven unique meeting rooms - including a 900-person plenary room, the largest single above-ground meeting room in City of London - and can accommodate a total of 1,200 guests.

Nestled between historic London landmarks, Convene Sancroft, St. Paul's has been thoughtfully designed to pay homage to the surrounding area, drawing inspiration from the iconic local craftsmanship while reflecting nearby contemporary architecture. The architectural palette of the property is a simple and neutral backdrop contrasting with the bold interior design elements that are a nod to the Elizabethan Era. The design reminisces this era through vibrant pops of rich color and textured forms seen in elaborate wall panelings, intricate ceilings, and timeless materials. In addition, the space is flooded with natural light that streams in from the nine- to 14-foot floor-to-ceiling windows.

The location is easily accessible via public transport and is in close proximity to the London Stock Exchange.
