MEETINGS & EVENTS

Convene Willis Tower is a premium venue in one of the most iconic trophy buildings in the world. Spanning 90,000 square-feet across the entire third floor and offering 11 unique meeting spaces, it is conveniently located in the Loop neighborhood of Chicago. With the largest meeting room able to accommodate 869 guests, it is ideally suited for large summits, events that require substantial exhibitor space, and corporate galas.

The design was inspired by the Chicago city motto "Urbs in Horto" - i.e. "city in a garden" - and features park-like design elements as well as 24-foot floor-to-ceiling windows, five private outdoor terraces, and plenty of natural light. Convene Willis Tower provides a white box space allowing for client and event branding opportunities, in-house catering with customization options and dining private to each event, in-room A/V technology supported by an on-site team, and dedicated hospitality resources.

The venue is located near the Washington/Wells Station, Quincy Station, and Union Station and additionally offers nearby paid parking.
