Convene's upcoming venue will unite its core conference expertise with state-of-the-art production capabilities such as 180-degree projection mapping, street-facing LED walls, and a dedicated rigging system. This unique blend can host bespoke events ranging from dynamic brand showcases to luxury receptions, high-powered summits, and industry-leading gatherings.

Designed by renowned architect, Frank Gehry, and MAKE Architects, the venue occupies a centrally located address, billed as one of the most connected locations in the city. The venue is located a one-minute walk from Tottenham Court Road Station, providing seamless access to the Elizabeth line. This provides a rapid two-minute travel time to Farringdon and the City of London, while offering international business travellers a direct, single-line connection to London Heathrow Airport.
