1221 Avenue of the Americas, New York, NY 10020

MEETINGS & EVENTS

Quorum by Convene is located on Avenue of the Americas in Midtown Manhattan. With six unique meeting rooms across 40,000 square-feet, the highlight of this venue is the one-of-a-kind 270-degree 4K video display in the Grand Hall, perfect for events with immersive, highly visual, or interactive presentations. A full buyout can accommodate up to 630 guests.

The location boasts an ultra-modern design with high-end finishes including gently curving walls framed by architectural bronze and textured wood accents, custom Italian terrazzo floors, and snack bars made of Calacatta Tucci Stone, Bronze, and rich European White Oak. In addition to custom-commissioned murals on the walls, Quorum by Convene provides a white box space allowing for client and event branding opportunities, in-house catering with customization options and dining private to each event, in-room A/V technology supported by an on-site team, and dedicated hospitality resources.

It is in close proximity to multiple subway lines and easily accessible from Penn Station, Grand Central Station, and Port Authority Bus Terminal.
