

County Hall

Our County Hall venue is as stunning on the inside as it is on the outside with over 68,000 sq ft of multi use event space over two floors. Situated on London's Southbank, it offers breathtaking views of The Houses of Parliament and Big Ben.

The County Suite can accommodate larger groups and is supported by a range of smaller conference suites and meeting rooms as well as exclusive use opportunities and private dining options. Our design team has intentionally restored this charming building keeping some of its original features coupled with high-quality design in classic copper and velvet tones. County Hall is conveniently located just minutes away from Waterloo and Westminster stations.
