Refund Policy

Monthly Plan

The monthly plan offers the greatest flexibility. Your subscription automatically renews each month. We will automatically bill your monthly subscription fee each month, unless

your subscription is cancelled before the renewal date. You may cancel your subscription at any time, but please note that there is **no partial refund for the monthly subscription plan**. Your cancellation will take effect at the end of the current billing cycle.

Annual Plan

The annual plan gives you the convenience of prepaying for your subscription once a year and getting 12 months for the price of 10. If you choose the annual plan, please ensure you are able to commit to the full year. If you cancel the annual plan, you will retain full access through the end of the annual billing cycle but please note that there is **no partial refund for the annual subscription plan if you downgrade or cancel early**.
