

# Family Forest Carbon Program

# Enhance Your Woodland

## About Enhance Your Woodland

This practice will grow a more robust and resilient forest through sustainable management and harvesting over the next 20 years.

## When you enroll in Enhance Your Woodland, you receive:

- Funding to help you reach your goals
- A free visit by a forest professional who provides expert guidance and consultation
- Management plans customized for your unique goals for your land

## Program Requirements

### Basic Eligibility Requirements

- Located within eligible project areas
- 30 acres or more
- Legally allowed to harvest
- Plantations are not eligible

### Practice Requirements

- 20-year commitment
- Defer timber harvests

## Payments

In addition to the increased value of the timber that will accumulate throughout your time in the practice, Enhance Your Woodland provides funding to help you achieve your goals. Payments are sent throughout the contract period, with 20% of the total payment sent upfront, and the remaining funding sent throughout the rest of the duration of the partnership. The payment amount depends on your land when you sign the contract. Total payment will range between \$150-\$300 per acre.

# 1

## Confirm Eligibility

We're currently operating in VT and select counties in MA and NY for woodlands that meet the requirements above.

# 2

## Meet with a Forest Professional

Schedule a free visit with a forest professional who will gather details for enrollment. If you already have a management plan, we will work with you to make any updates.

# 3

## Enroll and Begin

You'll receive payment terms and a contract to review before enrollment. Then, we'll send your first annual payment and begin!
