

For the love of animals and the people who love them
2019-2020 Boarding Agreement

- 🐾 Veterinarian administered vaccinations must be current. If needed, an MRPH veterinarian can perform an exam and vaccines at the time of check in.
 - Dogs – Rabies, DAPP, Kennel Cough, Fecal
 - Cats – Rabies, Distemper/upper respiratory
 - Pets must also be free of fleas, ticks, and internal parasites. Due to the risk of transmission, if found these will be treated at the owner's expense.

- 🐾 House diet
 - Dogs – Hill's Advance Fitness Adult
 - Cats – Hill's Optimal Care Adult

- 🐾 Blankets, toys, and beds are acceptable, however they must be clearly labeled with pet's name and owner's last name.
 - Owner provided food should be labeled and clear instructions provided to staff at the time of check in.
 - MRPH is not responsible for damaged items.

- 🐾 Medications/supplements fees are applied daily:
 - \$4.10 (1-2 medications)
 - \$8.20 (3+ medications)
 - \$17.50 (Diabetic care)
 - Medications and supplements should be in their original container and clear instructions provided to staff at the time of check in
 - All medications and supplements are administered by a trained veterinary technician.

- 🐾 Boarding charges are determined by pets' weight and applied by day. These charges begin on the day of check in and the subsequent days' charges are applied at 2 pm the following day.

- 🐾 After hours pick up – We are closed each Sunday but offer a convenience pick up from 5-6 pm. A credit card must be kept on file to process payment at pick up.

By signing below, I agree to the above terms. I authorize the attending veterinarian to treat my pet(s) should any injury or illness occur and agree to pay for any medications or services rendered. Please note, unless it is an emergency, MRPH will always contact you prior to performing treatments.
