

It is important that all staff members are fully present at our Monthly Staff Meetings. In the past we have forwarded calls to our phone service, but kept the doors unlocked, and our Client Service Representatives have assisted clients that arrived during our meeting.

Beginning March 12th, 2020 we will be **CLOSED** during these meetings; calls will continue to be forwarded to our phone service, but our doors will be locked.

Please keep this in mind when picking up food, medications, etc.

Our Staff Meetings are held on the 2nd Thursday of each month from 12pm - 2pm.

Should we need to deviate from this schedule, we will provide notification as quickly as possible.

One week prior to the meeting, our clients will receive an e-mail notification and our Facebook and website will be updated. For the next few months, our clients will receive a 2nd reminder 4 days prior to the meeting date. Meeting information will also be posted within the clinic, and will be updated monthly.

Next Meeting Date:

March 12, 2020

12pm - 2pm

Should your pet have an emergency, or it is urgent that you speak with a team member, please advise the phone service.

We apologize for any inconvenience, these meetings are an integral part of providing the best possible patient care and client service.
