*The dogs are walked twice a day (morning and evening) and fed twice a day unless otherwise noted. There is a form that will need to be filled out at the time of drop off. This form is also available through our website (ccacpets.com). The floors are heated for chilly weather and we do have a cooling system for warmer weather. No need to worry about bringing your own food. We feed everyone Purina EN, unless they have other dietary restrictions. If that is the case then you would need to bring their own food with them and we will feed by your instructions. Bedding is not allowed in our facility. You are welcome to bring in blankets, towels and sheets, as long as they are not important ones or favorite ones. We are constantly cleaning our runs so there is a chance the bedding could have some bleach stains or become soiled, chewed up, etc. If you are planning on picking up on a Sunday I just want you to be aware that we do charge for Sunday morning boarding at \$14.42.

*We also offer playtime which is an extra walk in the middle of the day where your pet will be able to play for about 15-20 minutes and this is an extra \$7.63 per dog/session.

*For an additional \$2.23 per night/ per dog, we can give a nighttime bed time Oravet treat. If the pet doesn't eat the treat after 2 nights, we do stop administering the chew.

*Doggy Daycare is another option that we offer while boarding. This is an opportunity for your dog to play off leash with other dogs in our designated daycare area. There is a required Temperament Evaluation prior to participating in daycare to ensure that everyone will get along. The fee for the Temperament Evaluation is \$11.55. There is a form for the Temperament Evaluation that the owner must complete prior to drop off. Doggy Daycare while boarding is \$12.19 per day per pet. If they are coming in for the Daycare only and are not boarding it is \$22.90 per day. All pets MUST be neutered or spayed to participate. Please check out our Facebook Page to see all of the pictures we post of Doggy Daycare!

*We just require that all pets are up to date on all vaccines and their annual exam. The ones we require are Rabies, DHLPP (Distemper/Hepatitis/Leptospirosis/Parvo/Parainfluenza), Bordetella (within the past 6 months) and both Influenza vaccines (H3N2 and H3N8), all given by a licensed veterinarian. If any vaccines need to be updated at all we are also a full veterinary clinic and we could update them here on the day that you drop off. You can either fax or email their previous records to us or bring them in when you drop off.

*You are more than welcome to stop by anytime and we will be more than happy to take you on a tour of our boarding facility or you can check out our website that shows some pictures. If you would like to set up a reservation please give us a call and we can set that up for you. Please don't hesitate to call if you have any questions or concerns. Thanks and have a great week!
