**2897 STATE HWY 66**  
**ROCKWALL, TEXAS 75087**  
**972-771-9422**

I, \_\_\_\_\_, hereby authorize and direct Rockwall County Veterinary Clinic, P.C. (RCVC) to board my pet <animal> for the following time period:

FROM \_\_\_\_\_ TO \_\_\_\_\_ Pick up AM \_\_\_\_ PM \_\_\_\_

Additional services that I would like performed are:

Vaccinations: \_\_\_\_\_ Bordetella: \_\_\_\_\_ Heartworm test: \_\_\_\_\_ Fecal: \_\_\_\_\_ Trim Nails \_\_\_\_\_

Bath: \_\_\_\_\_ Deworming: \_\_\_\_\_ \*\*\*\* Other Services requested \_\_\_\_\_

\*\*\*\* There will be a \$52.00 exam fee for this. Example: check ears, check skin, check lumps, limping, etc.

Rockwall County Veterinary Clinic will provide the food and water unless instructed otherwise. <animal> is up to date on Rabies vaccination according to Texas law. If not this vaccination will be administered upon admission to the hospital at my expense.

If <animal> is receiving medication, the staff at RCVC can administer the medication while in the hospital. There will be an additional charge of \$5.00 a day for this service. If I forget to bring the medication with me, RCVC will refill enough of the prescription to cover <animal>'s hospital stay and will be charged the normal RCVC pharmacy fees.

<animal> will be given a capstar tablet upon admission/and at the time of discharge for flea control at \$7.00 ea. If evidence of flea or tick infestation is found, <animal> will be de-fleaed by RCVC staff and I will be charged for flea products used at our regular dispensing fees.

If <animal> requires medical attention while boarding, RCVC will perform diagnostic and/or treatment procedures as deemed advisable or necessary for <animal> and I will be charged for these services.

Payment is to be made by the time I take my pet home. I agree to pay in full for services rendered, including those deemed necessary for medical complications or unforeseen circumstances.

RCVC is not responsible for lost or damaged personal pet belongings, ie; blankets, toys, leashes.

Please note: Infectious canine tracheobronchitis (kennel cough) is a highly contagious respiratory infection transmitted by coughing and direct contact. Dogs that are boarding have a high risk for exposure. RCVC requires Bordetella or kennel cough vaccine to prevent <animal> from exposure while boarding.

Please list any other special needs your pet requires during their stay with us.
