Hospice East Bay	Pet Loss Support	925-887-5678x1075	2 nd Tues/Month

In a nurturing small group, you are encouraged to process natural feelings of grief resulting from the loss of a beloved animal. Sharing thoughts and feelings with others who understand and care is one of the most helpful ways to heal grief. Registration is required. Group meets the second Tuesday of each month and goes from 5:30p-7:00p.
