COMPREHENSIVE CARE

Adult Dogs

- Office Examinations/Visits
Unlimited Routine Exams
(Emergency and Extended visits are not included, however they are discounted)
- Vaccinations Recommended by Veterinarian (Up to 4)
- Intestinal Parasite Fecal Exam
- Deworming for Intestinal Parasites
- Heartworm Test 4 DX
- Internal Organ Function Screen with CBC and Thyroid Screen - venipuncture included
- Urinalysis - cystocentesis included
- Professional Dental Cleaning and Oral Evaluation -
Dental procedures begin with pre-anesthetic blood work, sedation and pain injections. The dental procedure is performed under general anesthesia with IV Fluids, comprehensive monitoring and patient warming. Full mouth dental x-rays will be done prior to the teeth being clean above and below the gum line. The exam and dental charting (including probing) and prior to recovery a fluoride treatment will be applied. **Please note that Dental Extractions are not included, but are discounted.****

For pets and the people who love them

Each pet is unique and at Sacajawea Veterinary Hospital we have plans specific to each pet's needs. We have established preventive care recommendations to ensure that every pet receives the highest level of care to live a long and healthy life.

Wellness plans for the life of your pet

- ✓ Plans for each life stage
- ✓ Affordable monthly payments
- ✓ Out of plan discounts for professional services
- ✓ Peace of mind knowing your pet is healthy

Our pets rely on us to keep them happy and healthy. PAW Plans make it easy for you to ensure they get the care they need to live their best life.

PAW Plans help your pet get the care they need to live a long and healthy life.

We treat your whole pet starting with routine office visits, vaccinations, lab work, spay/neuter and dentistry (determined by the age of your pet).
