Splash & Play with Us!

We have a 5000 square foot fully-fenced AstroTurf play yard providing lots of room for your dogs to romp and play. The best part: an indoor swimming pool that's open all year long, Monday – Saturday. Dogs come for the day and go home happy.

Splash packages sold separately, dogs must complete tests before swimming.

All Daycare pricing includes webcam access (through a mobile app) indoor and outdoor viewing, and a pool webcam!

Vaccinations, Health & Safety

Proof of vaccines is required for Rabies, Influenza, Distemper & Parvo, and because our facility operates in a social dog environment, we also require Bordetella vaccine given within the last 6 months.

If you wish for the any vaccinations to be updated while your dog is here, we can gladly accommodate the need. Ask an attendant for details.
