- ◆ How did you hear about City Bark?
  
- ◆ Is your dog spayed or neutered? All dogs over the age of 6 months must be spayed or neutered to participate in day care. Dogs that are not spayed or neutered after 6 months may board with us but they will not be eligible for day care.
  
- ◆ Does your dog enjoy playing with other dogs?
  
- ◆ Has your dog ever growled at another person or dog? If yes, please describe the situation. If you want your dog to participate in day care it is important that your dog is not aggressive with other dogs.
  
- ◆ Has your dog ever punctured or injured a person or animal, including wild animals? If so, please explain the situation. It is important that you understand that once a dog has intentionally punctured or injured another animal it is likely that it will happen again and we are not able to have your dog participate in our daycare program.
  
- ◆ Has your dog ever killed another animal, including a wild animal? If your dog has, we are not able to take care of your dog at City Bark.
  
- ◆ Can you remove a food or toy item from your dog without him growling?
  
- ◆ If your dog is going to participate in day care, does your dog share toys with other dogs?
  
- ◆ If your dog is going to participate in day care, what types of other dogs does your dog play with best (i.e. puppies, small or large dogs)?
  
- ◆ Has your dog ever jumped a 6 foot high fence? If your dog is able to jump a 6 foot high fence, City Bark can not guarantee that it will be able to contain your dog. It is important that you understand your dog may be able to escape from City Bark.

- ◆ Does your dog have any sensitive areas on his body (i.e., ears, paws)?
  
- ◆ Does your dog have any allergies or other health concerns?
  
- ◆ Are there any restrictions we should place on your dog's activities? Please note that we do have a swimming pool that is approximately 4' deep in places. It is important that you understand we cannot guarantee that your dog will not have access to the swimming pool as dogs can be very creative when they want something.
  
- ◆ Has your dog ever been to another daycare? If so, which one(s) and when?
  
- ◆ Is there anything else we should know about your dog?
