

Foothills Veterinary Hospital

# WELLNESS

## wednesday

### WHERE

Foothills Veterinary Hospital  
20 Rayford Lane  
Greenville, SC 29609

\*We will devote one veterinarian and our downstairs exam room to this service, we will still be seeing scheduled appointments upstairs

### WHO

Healthy dogs and cats that are due for their yearly wellness checkup. This is designed for well pets only - no other health concerns will be addressed at this visit. We are happy to see you for a scheduled appointment to address additional concerns.

### ADDITIONAL INFORMATION

- Please note that the discount does not apply to any preventatives or medications purchased during this visit
- This is designed for well pets only
- If your pet is fearful at the vet, this appointment style may not be the best fit - we would love to see them during a scheduled appointment.
- You will not get to request a specific doctor for this service

### WHEN

Last Wednesday of every month  
8:45 am - 11 am  
2:00 pm - 4:30 pm

### WHAT

- A comprehensive physical exam
- Immunizations
- Heartworm/Lyme/Ehrlichia/Anaplasma blood screening and intestinal parasite screening OR a reference lab wellness profile that includes the testing above + a complete blood count and biochemistry profile
- 20% off the total bill for the services listed above

### HOW

- No appointment needed - this is a walk-in first come, first served service.
- We will assess the line and cut it off 1 hr prior to closing if needed
