

Welcome to Camp May!

Camp May offers campers a day of socializing and play in groups of 8 or more dogs. Campers enjoy a spacious climate controlled indoor facility as well as a large outdoor fenced play area and swimming pool. Our campers are separated according to size, temperament and activity level with both large dog and small dog indoor facilities.

In order to enroll in camp, we ask that you complete all paperwork and each camper complete a temperament evaluation. All campers must be current on vaccinations (Rabies, Distemper Parvo combination and Bordetella) and dogs over 6 months of age must be spayed or neutered to socialize with other campers.
