

Dear Clients,

It is with mixed feelings that I announce my departure from Brightwood Animal Hospital. My last day will be March 31, 2022. It has been my privilege and honor to provide care to your treasured companions. I truly feel fortunate to have been a part of this practice for 17 years, and it has been an absolute pleasure to have formed so many wonderful friendships! I am grateful for your support and for entrusting me with your pet's well-being. I will be leaving general medicine to pursue continued development of my rehabilitation practice, Cleveland Veterinary Rehabilitation in Willoughby Hills. Brightwood Animal Hospital will continue to provide for all your pet's healthcare needs and they will be in very good hands. If you have any questions or concerns that require attention prior to my farewell, please feel free to reach out to me. I understand change can be difficult, but I intend to do my best to help ease the transition of your pet's care. Many good wishes are extended to each of you and to your beloved 4-legged (and 3-legged!) friends in the years to come. I will miss you!

Warm Regards,

Laura Surovi, DVM
