Medication Administration

There is a fee associated with administering medications while boarding.

Fee will depend of frequency medication is given.

Dogs are walked outside at least twice daily. We provide food, water and bedding. *At the end of their stay you have the option of having them bathed. The charges range depending upon species and/or weight. Baths include ear cleaning and a nail trim. You will not be charged for boarding the day of your bath.

Boarding charges are per calendar day. If you pick up before 9 you will not be charged for the day. We offer a reduced bath charge if boarding.

For your pets safety please bring; proof of vaccination, current exam and negative fecal done by a veterinarian. This can be an invoice or the actual medical records for vaccinations. You may fax this info ahead of your reservation. Required vaccines are as follows:

Dogs: DHPP, Lepto, Bordatella, Influenza and Rabies. **Cats:** FVRCP, Rabies.

All animals must have been examined by a doctor within one year. Pets that are 12 years and older must have been examined by one of our veterinarians within 6 months and have had a geriatric blood test within 1 year.

All animals must have proof of a negative fecal test being run with in the last 12 months. If they are not up to date on their; vaccines, fecal test or exam, we will be happy to perform those during their stay.

You are welcome to bring your pets own food. We discourage bringing bedding and toys, bedding will be provided during their stay. If you do bring your own bedding we cannot guarantee that your pet will not destroy these items, and it is possible that these items will not be returned.
