life-saving care: (239) 992-8878

# WHEN YOU ARRIVE

## What To Expect:

- » **Triage:** Your pet's condition is prioritized upon arrival.
- » **Evaluation:** Includes history, exam, and treatment recommendations.
- » **Payment:** Deposit required to begin care. Flexible payment options: CareCredit, Scratch Pay, major credit cards (no checks).

## What To Bring:

- » List of medications, allergies, and medical history.
- » Packaging of any toxin or poison ingested.

## After-Hours Specialty Care

Our emergency doctors work with specialists for advanced, comprehensive treatment plans—day or night.

## Why Choose FVRC?

- » **Expert Team:** Led by Dr. Joshua Parra, board-certified in Emergency & Critical Care.
- » **Skilled and dedicated staff**
- » **Seamless Care:** Collaboration with specialists in Critical Care, Internal Medicine, and Surgery.
