## DOG & CAT BOARDING

**Our qualified kennel attendants feed, nurture and give your furry family members the tender loving care they deserve to keep them happy while you're away.**

### **Pima Treatment**

Certain luxuries are a normal part of staying at our resort; we call it the Pima Treatment. This customizable signature service is included with all runs and condos. Our runs and condos range in size with options for small, medium and large, starting at \$46.00 per night (Please call for estimate.)

The Pima Treatment includes:

☺ **Meals:** To feel right at home and not interrupt diets, guests are asked to bring their own food which is served up to 3 times daily. If you are not able to bring your pet's diet we provide Science diet sensitive skin & stomach dry and wet food.

🌴 **Fresh Air:** Three times daily, all guests go outdoors to their 12' by 14' personal area which is shaded and has a private potty area to exert energy and go to the bathroom. Our staff walks each guest to and from their room to their area allowing for tons of personal contact.

🏠 **Housekeeping:** Your pet's room is cleaned daily. Our staff clean, disinfect, and deodorize, leaving virtually no moisture and eliminating the germ and bacterial problems common with traditional kennels. We provide bedding for any pets in our care. We play calming music in the kennels create a stress free environment.

🗝️ **Tuck In & Treat:** Every night each guest is visited with a good night pat and your provided treat. Food and water levels are left to your specifications, the room is tidied, and most importantly, our guest is left calm and feeling loved.

🔒 **Security and Fire Protection:** Our state-of-the-art monitored security and fire system includes infrared and motion sensors, fire monitoring and sprinkler system as part of our top notch safety and security plan. Peace of mind is a priority!

📷 **Observations:** Throughout every stay, pet resort staff members take notes about care and activities so you can be aware of daily happenings. We focus on making sure pets are happy and healthy throughout their stay. We welcome calls to check on your loved ones.

👍 **Peace of Mind:** Creating a home away from home we will try to meet all the individualized needs of your pet. We hope to include peace of mind we train our pet resort staff to observe for illness and emergencies. If there is an emergency or illness during a stay we partner with our veterinarians to provide the best treatment.

## DOG & CAT BOARDING

### Vaccination Requirements

The health and well-being of our Guests is of the utmost importance to us at Pima North. The following preventive requirements from a licensed veterinarian are required prior to admittance for any and all services provided at Pima North Boarding:

**Dogs:** - Rabies, DHPP (Distemper, Hepatitis, Parvovirus, Parainfluenza), Bordetella Flea/Tick Prevention (monthly application performed by us, or proof of purchase required)

**Cats:** Indoor Cats: Rabies, FVRCP Outdoor Cats: Rabies, FVRCP, and Flea/Tick Prevention (monthly application performed by us, or proof of purchase required)

All requirements can be completed with a current physical exam with our veterinarians, please call to schedule an exam during your check-in date.

\*\*Any exceptions to preventive requirements (i.e. puppies, age, or condition) must have a letter from a veterinarian.

### Concierge Services

Our concierge services are creatively designed to mimic your pet's day at home and to let you pamper them while they are staying at the resort.

 Personal Play Time: Schedule your pet for some personal playtime, we will customize their 15 minutes of time for extra walking, play or cuddles. We have outdoor areas and an indoor playroom to give your pet that extra love and attention. (\$22.50 additional dog \$14.75) Purr Time for our Feline friends \$17.00

 Medications: Our resort staff are trained to administer and record giving pet medications and supplements. Pills, liquid medicines, and insulin shots can all be administered by Pima North staff. Guests requiring medications receive attention and administration of medicines by a staff member through any "creative" methods that may be required per your instructions. We charge \$0 per medication administration. We charge \$38.00/per day for diabetic management. We can provide peanut butter pill pockets. Please pack in original packaging!

 Frosty Paw Treat: A yummy afternoon treat, surprise your pet with a special treat. Frozen treats are a great way to provide mental stimulation to your pet's day! \$10.25

 Bath & Towel Dry: Heading home clean and fresh, request a departure bath for your pet. We provide hypoallergenic shampoo and make sure your pet goes home smelling and looking good! \$23.75-\$64.25

 Pedicure (\$22), Teeth brushing (\$10.25), Anal Gland Expression (\$35), Full Service Grooming (Price based on breed/request). \*\*Prices subject to change, please call for current estimate
