

Registered Veterinary Technician – Emergency

Join our team at our brand-new 24,000-square-foot, state-of-the-art hospital in Dartmouth, Nova Scotia, opening in 2024! Our Emergency & Specialty hospital will deliver much-needed care for pets in the greater Halifax Regional Municipality and beyond.

Enjoy all the benefits of living in the Halifax Regional Municipality: friendly people, a slower-paced east coast lifestyle and all the amenities of a larger city. The area boasts several festivals, farmers markets, live performances and amazing restaurants and pubs, many with a Celtic feel. If spending time outdoors is your thing, we have numerous beautiful beaches, lakes, parks, ski hills and golf courses.

Our vision is to offer the highest quality patient care and client service while providing a supportive culture and collaborative work environment where continual education and advancement of our team are paramount. Our DVM team will consist of experienced emergency veterinarians and specialists as we plan to have surgery, internal medicine, exotics, cardiology, radiology and more. Work alongside a group of talented and experienced doctors, technicians, technician assistants, and client care representatives.
