Medications: _____

Approximate time you will be picking up your pet _____

If your pet is brought in with external parasites (fleas/ticks) Woodlake Veterinary Hospital will treat your pet as they deem necessary to prevent spread to other animals. There may be additional fees associated with this treatment.

If your pet develops stomach upset or diarrhea while staying with us the doctors will examine your pet and determine if a prescription diet or medication is needed. There will be an additional charge for this treatment.

Please do not leave leashes, bedding, or food bowls as we provide these and yours may be lost or soiled. Woodlake Veterinary Hospital assumes no responsibility for any personal items left with your pet.
