If yes, please explain _____

Aggressive Dog Policy: If we cannot put an I.D. band on your dog at the time of check-in, we will probably not be able to board your pet. Necessary interaction with your pet is required on a daily basis (feeding, exercise, and cleaning). Your pet must be social with humans in order to board with us. Highly aggressive dogs will NOT be allowed to board at The Lodge. Dogs that are extremely unfriendly with other canine guests may also be asked not to board at The Lodge. These requirements are for the safety of our caring staff and for the safety and protection of the other pets boarding with us. Thank you for your understanding.
