

In order to best address your concerns at your upcoming visit, please answer the following questions about your cat and email this back to us before your visit. When you arrive for the appointment, please call or text our office and we will check your pet in over the phone. Once checked in, bring your pet to the door and place them on the table outside and a staff member will come to get the cat. When approaching the door, we ask that you please wear a mask for the safety of our staff members and other clients.
