## FREQUENTLY ASKED QUESTIONS

### IS THIS PET INSURANCE?

**No, it's not insurance - it's designed for everyday care.**

Insurance is designed to reimburse you after an unexpected illness or injury. Our care plans are different—they cover the routine, vet-recommended preventative care your pet needs to stay healthy all year long. Think of it as a proactive approach to your pet's health.

### WHAT IS THE IN-HOSPITAL CREDIT?

**It's built-in peace of mind.**

Every care plan includes an in-hospital credit allowance you can use for unexpected needs, like a sick visit or an urgent test. Even better? If you don't use the full amount, your remaining balance rolls over to the next year.

### HOW DOES THIS PLAN HELP ME TAKE CARE OF MY PET?

**It makes it easy to plan and pay for your pet's health.**

With one predictable monthly payment, your pet's annual care is covered. That includes vaccines, exams, screenings, and more. Prefer to pay upfront? Annual plan payments save you an additional 5%.

### WILL THIS SAVE ME MONEY?

**Yes—especially if you're committed to your pet's health.**

Our care plans bundle the services we recommend most—and price them at the best possible value. It's the easiest and most affordable way to give your pet a full year of high-quality veterinary care.

We've partnered with PetCentric Health to bring you a care plan that's inclusive of annual exams, core vaccines, and an in-hospital credit - all available immediately upon sign-up!
