Our SAGE teams are excited to announce the return of our premier, in-person event, the SAGE Symposium 2025. A place to connect as an industry and learn from the brightest leaders and experts in our field. The SAGE mission is to improve the lives of pets and their people. As leaders in veterinary medicine, we are committed to pushing the boundaries of science and technology to enhance patient care.

The theme of this year's symposium is:

**Advancing Animal Health Through
Discovery and Innovation.**

This event will bring together experts, innovators, and passionate professionals dedicated to improving animal health through cutting-edge research, novel treatments, and forward-thinking solutions. Together, we'll explore the latest advancements shaping the future of veterinary medicine.

As a sponsor, you help drive innovation, sustainability, and education, ensuring a brighter future for veterinary teams and pet parents alike.

This symposium is not only an opportunity to look ahead and celebrate progress but also to connect, collaborate, and inspire. Alongside insightful discussions, we've planned engaging activities to bring joy and laughter, culminating in a lively cocktail reception to close the day on a high note.
