EXPERIENCE THE NVA CANADA DIFFERENCE

CLINICAL YEAR EXTERNSHIP
STIPEND PROGRAM

Step beyond the classroom and into real-world veterinary practice — building skills and connections that will shape your career. You're eligible once your externship or clinical rotations count toward your university credits.

YOU CAN DO IT ALL WITH NVA — AND EARN STIPENDS OF UP TO \$2,100 PER ROTATION.

You get the clinical experience you need, the connections you want, and a stipend to offset your travel and living expenses.

NOW, LET'S TALK DETAILS.

WHERE ARE THE HOSPITALS?

More than 134 NVA hospitals across Canada offer student externships, in every province.

HOW MUCH ARE STIPENDS?

Travel and housing stipends are based on a hospital's proximity to a CVM and are as follows:

- \$700 for hospitals within 80km of a CVM.
- \$1,400 for hospitals 81-160km from a CVM.
- \$2,100 for hospitals 161+km from a CVM.

Stipend is given per externship rotation.

ELIGIBILITY & DURATION OF EXTERNSHIPS

Veterinary students who are currently enrolled in an accredited College of Veterinary Medicine (CVM) program and have begun the clinical rotation portion of their education are eligible for the stipend. Externships must be a minimum of two consecutive weeks in length to be eligible for the stipend.

LEARN, CONNECT, AND EARN A STIPEND. WE CAN'T WAIT TO WELCOME YOU INTO OUR HOSPITALS.

NVA Canada is a veterinary community committed to creating a community rooted in innovation, compassion, and advanced medicine.

Monetary amount is a travel/living stipend—not compensation for work done. Stipend is given per externship rotation (regardless of whether CVM's rotation blocks are 2, 3, 4, or 8 weeks long). No limit on number of stipends students can receive as long as rotations are completed during clinical year. Stipends paid at completion of externship rotation. Stipends are paid in Canadian Dollars. Most NVA hospitals welcome students of all class years however, travel stipends are only available to clinical year students.
