COMPREHENSIVE CARE

Adult Cats

- Office Examinations/Visits
Unlimited Office Visits (By appointment during normal business hours)
- Vaccinations Recommended by Veterinarian (Up to 2)
- Intestinal Parasite Screen
- Blood Cell Count
- Internal Organ Function Screen
- Urinalysis
- Professional Dental Cleaning and Oral Evaluation -
The procedure is performed under general anesthesia. It includes a pre-surgical examination, I.V fluids, comprehensive monitoring and patient warming. The teeth are cleaned above and below the gum line and a complete oral exam is performed including dental charting and full mouth dental x-ray images. The teeth will be polished, a fluoride treatment and sealant will be applied. *Patients with medical conditions that complicate a routine procedure may incur additional fees including dental extractions.*

* All plans have a one-time membership fee of \$49.95. Twelve month membership is required and set to automatically renew each year. Preventative care plans are not insurance. For full terms and conditions of membership, please review the PAW Plans service agreement.

For pets and the people who love them

Each pet is unique and at Family Pet Clinic of North Richland Hills, we have plans specific to each pet's needs. We have established preventive care recommendations to ensure that every pet receives the highest level of care to live a long and healthy life.

Wellness plans for the life of your pet

- ✓ Plans for each life stage
- ✓ Affordable monthly payments
- ✓ Out-of-plan discounts for professional services
- ✓ Peace of mind knowing your pet is healthy

Our pets rely on us to keep them happy and healthy. PAW Plans make it easy for you to ensure they get the care they need to live their **best life**.

PAW Plans help your pet get the care they need to live a long and healthy life.

We treat your whole pet starting with routine office visits, vaccinations, lab work, spay/neuter and dentistry (determined by the age of your pet).
