Photo Release Permission:

Sometimes we like to take and use pictures of our client's pets—this could be in hospital or via our website, facebook page, twitter, on documents, etc. Do we have you permission to use your pet(s) photo? Yes No

Zoonotic Disease Information:

Everyone with pets should be aware that some infectious diseases can be transmitted from animals to people (zoonoses). People can be immunocompromised due to: chronic/ infectious disease, organ transplant, pregnancy, radiation, or chemotherapy, or those who are elderly or infants, and are at increased risk of acquiring certain zoonotic diseases from animals.

We would like to provide you with information to keep your pet(s) healthy if your pet is in frequent contact with someone who is immunocompromised.

Would you like more information on Zoonotic diseases: Yes No

Professional fees are due at the time services are rendered
