What

5 classes. The first one is informational and for pet parents only. The other 4 include the puppies for hands-on training.

Classes are held weekly for approximately 1 hour each.

Cost is \$175 for 5 classes.

Where

Classes will be held at Cherry Hill Animal Hospital in our lobby and fenced in backyard.

Course Material Includes:

- ♥ Positive reinforcement training methods
- ♥ Interpreting dog body language
- ♥ Beginner training behaviors such as: sit, drop, and settle on a mat
- ♥ Handling and husbandry techniques and conditioning
- ♥ Understanding the importance of the puppy socialization period
- ♥ Toilet training
- ♥ Bite inhibition
- ♥ Understanding and managing normal puppy behaviors

Benefits:

The ages of 3-12 weeks is a critical time for socialization and learning. Puppy Training Classes assist your dog through this educational period and help them reach their full potential.

You will learn what motivates your puppy, how they learn, and how they respond to new environments. This knowledge will help you guide your puppy to becoming a well-behaved and happy member of your family.

Your Instructor

Jessie Dewsnap is a veterinary technician at Cherry Hill Animal Hospital. She received her qualification as a Veterinary Nurse in Queensland, Australia and worked in general practice prior to relocating to New Jersey. She completed the Puppy Start Right For Instructors course through the Karen Pryor Academy and is also a Fear Free Certified Professional.
