_____, _____

281-373-1890

I give my permission to the staff of Longwood Animal Hospital & Pet Resort to board and to administer vaccinations, medications, and/or treatments that the veterinarian on call deems necessary for the health, safety, or well-being of _____ while under the supervision of Longwood Animal Hospital & Pet Resort. I understand every effort will be made to contact me if an emergency occurs. However, if I cannot be reached, medical treatment will be provided at my expense. For the health of all pets boarded at Longwood Animal Hospital & Pet Resort, current vaccinations, given by a veterinarian, are required.

VACCINES REQUIRED FOR DOGS: RABIES, DHP-P, INFLUENZA (H3N8 AND H3N2) AND BORDETELLA.

VACCINES REQUIRED FOR CATS: RABIES, FVRCP.

Boarding charges will begin on the day of your arrival. All pets will be checked for fleas upon arrival. If fleas are present, your pet will be bathed and treated at your expense.
