

Towne North Animal Hospital GROOMING

DATE: _____

Owner: <First-name> <Last-name> Pet Name: <animal> ID: <number>

Number that you can be reached when your pet is ready: _____

Bath & Rinse Only includes: A Bath, Nail Trim, Anal Gland Expression, Exterior Ear Cleaning, Blow Dry and A Brush Out **ONLY**

Medicated Bath Only

I would like the same groom as I have always done:

If No, Please state what you would like done to your pet:

Please Note, that if your pet's fur is badly tangled and or matted, the groomer will do her best but unfortunately this may result in a very short hair cut or shave down and additional charges.

Sanitary Cut: Includes a clean cut under tail and belly

Full grooming: Includes; A Bath, Nail Trim, Anal Gland Expression, Exterior Ear Cleaning, Blow Dry , Brush Out and Cut

Teeth Brushing: Is An Extra Charge: (see groomer for fees)

I have selected the above items as indicated and further understand that dryers are used to dry my pet's coat. Please be advised that if your pet is found to need immunizations, he/she will be vaccinated and your account charged accordingly. For the health and safety of all animals at our facility, we require Rabies, Distemper with Parvo and Bordetella vaccinations to be up to date including a negative fecal test. If vaccinations are given at TNAH, we must examine the pet first, which involves an exam charge. Also, Hospital policy requires that all pets be given a Capstar (for fleas) upon arrival. If your pet is found to have fleas and/or ticks he/she will be treated with a topical and your account charged accordingly.

I approve of photos being taken of my pet and used on TNAH media, such as but not limited to; Facebook , emails marketing material and the TNAH website.

***** IF ANY MEDICAL PROBLEM IS FOUND WHILE YOUR PET IS HERE WE WILL CALL WITH OUR RECOMMEDATIONS & TREATMENT PLAN. IF ANY COMPLICATIONS SHOULD ARISE *****

PERFORM EMERGENCY TREATMENT BEFORE CALLING

DO NOT PERFORM EMERGENCY TREATMENT BEFORE CALLING
