

Our Mission...

It is our mission to combine the best of our medical ability with compassionate care, in identifying and treating the source of your pet's illness, injury or discomfort. We find answers, no matter how complex, to maintain the health, well-being and quality of life of your companion, while nurturing the human-animal bond.

Our Doctors...

Dr. Bryan Cornwall is recognized for his complex diagnostic and surgical skills. Prior to opening his hospital in 1992, Dr. Cornwall practiced at other Detroit area veterinary and emergency centers. He graduated with high honors from Michigan State University in 1989. Dr. Cornwall is married, has two daughters and five cats.

Dr. Jill Sheldon is a 2005 graduate of Michigan State University's College of Veterinary Medicine. Dr. Sheldon comes to us with seven years experience at a busy veterinary hospital in Warren Michigan. Her special interests include internal medicine, client education, orthopedic and soft tissue surgery, exotics, and abdominal ultrasound. Dr. Sheldon resides in Clarkston with her husband Jason, their two sons; Noah and Drew, two dogs, and a cat.

About Us...

Advanced PetCare of Oakland is a well-established, full-service, small animal veterinary hospital providing comprehensive medical, surgical and dental care.

At Advanced PetCare of Oakland we provide a broad spectrum of diagnostic procedures through in-house testing and the use of off-site laboratories. We also work closely with specialty hospitals when advanced diagnostic procedures are required. Our facility includes a well-stocked pharmacy, in-advanced surgery suite, in-house x-ray capabilities, a closely supervised hospitalization area, an isolation ward for infectious disease control, and deluxe boarding with a window view.
