

EXCEPTIONAL CARE WITH A PERSONAL TOUCH

At Red Bank Veterinary Hospital's Hillsborough location, our general practice team provides exceptional care for pets at every stage of life. From routine wellness exams and vaccinations to preventive screenings and diagnostics, we focus on keeping pets healthy while building lasting relationships with families in our community.

Our services include dental care, nutrition guidance, parasite prevention, and management of chronic conditions, all tailored to your pet's unique needs. We also emphasize client education, helping owners feel confident in their pet's care.

What makes Hillsborough stand out is its connection to the full Red Bank network. If specialty or emergency care is needed, our team ensures a smooth transition to board-certified specialists, combining compassionate local service with advanced medical expertise.
