

Congratulations To Dr. Rance Gamblin on his Retirement!

At Metropolitan Veterinary Hospital, it is our mission to provide exceptional care for patients and outstanding service to you and your clients.

With bittersweet emotion, we share the news that Dr. Rance Gamblin is retiring at the end of the year. His last day in clinics will be December 19th; however, as of November 1st, he will no longer accept new patients. Dr. Gamblin has been a vital part of our Oncology team since 2000. Dr. Gamblin's unwavering commitment and extraordinary expertise have been instrumental in shaping Metropolitan Veterinary Hospital into the high-caliber referral center that it is today. His impact on our team and the community cannot be overstated.

As Dr. Gamblin steps into retirement, he and his wife, Tracie, will be transitioning back to their home state of Mississippi. Dr. Gamblin has been an invaluable member of our team, and we wish him the best in his retirement.

A word from Dr. Gamblin on his retirement

I would like to thank my staff and professional colleagues at Metropolitan Veterinary Hospital for their outstanding efforts during my time in Northeast Ohio. I will miss the daily interactions and input on case management, with the goal of providing better lives for pets with cancer.

I want to send special thanks to my referring veterinarians. Without your support over the years, my career would have been far less fulfilling. Keep up the good work and look me up if you're ever down south!

Thank you to my clients for allowing me to take care of your beloved pets. Many of you have become close friends and essentially family in the last 27 years. I will miss you and your dogs and cats the most. I know I'm leaving you in good hands, however, and that gives me confidence moving forward to the next phase of our lives.

God bless you all!

-Rance Gamblin, DVM, DACVIM (Oncology)

What To Expect Moving Forward

We are honored to be your allies in your pet's oncologic care. You can rest assured that all Oncology patients will remain in wonderful hands with our team at Metropolitan Veterinary Hospital. Current patients will have their care transferred to Dr. Amanda Elpiner at Akron. You also have the option to transfer your pet's care to Dr. Megan Brown or Dr. Matthew Cook at our Cleveland East Location.

The Oncology Team at Metro

Amanda Elpiner
DVM, DACVIM (Oncology)
