If yes, please fill out the medication chart on the health evaluation form.

We require either a Capstar or Frontline flea treatment at check-in to ensure that none of our boarders will get fleas or bring them home with them. (\$8)

Exercise While Boarding

Is your dog very active or like to play with other dogs? We have several options to exercise your dogs while they are staying with us. There is Puppy Daycare which runs Monday through Friday every week for our boarding guests and outside dogs to come and exercise during the day. We have a pool that can be used by either our Daycare guests or for private swims. If your dog is active or need more opportunities to relieve itself but doesn't always like other dogs we also offer extra walks during the day. This way your pet is comfortable and has a chance to stretch his/her legs during their stay.
