PAW PLAN OVERVIEW

As your kitten grows so quickly in the first year, his or her medical and nutritional needs change. Our Kitten Paw Plans help manage their evolving needs and prepares them for adulthood.

Both Kitten Paw Plans offered by Spanish Trail Animal Hospital include all necessary examinations, vaccines, laboratory testing, and other services essential to protect your pet against illness and disease. Our Gold plan is designed to provide additional services like spaying and neutering, microchipping, and more extensive bloodwork. Our goal is to keep your pet healthy and happy during their adolescence and into the prime of their life.
