LUXURY DOG & CAT BOARDING

# Welcome your pet to their home away from home

At the **Oakhurst Veterinary Hospital Pet Hotel**, we offer spacious accommodations for your dogs and cats. Our dedicated team of technicians provide **loving 24-hour care, 7 days a week**. Our veterinarians are on call around the clock, should your pet need special attention. Lodging at a veterinary hospital means well-trained eyes will observe and care for your pet closely while you are away.

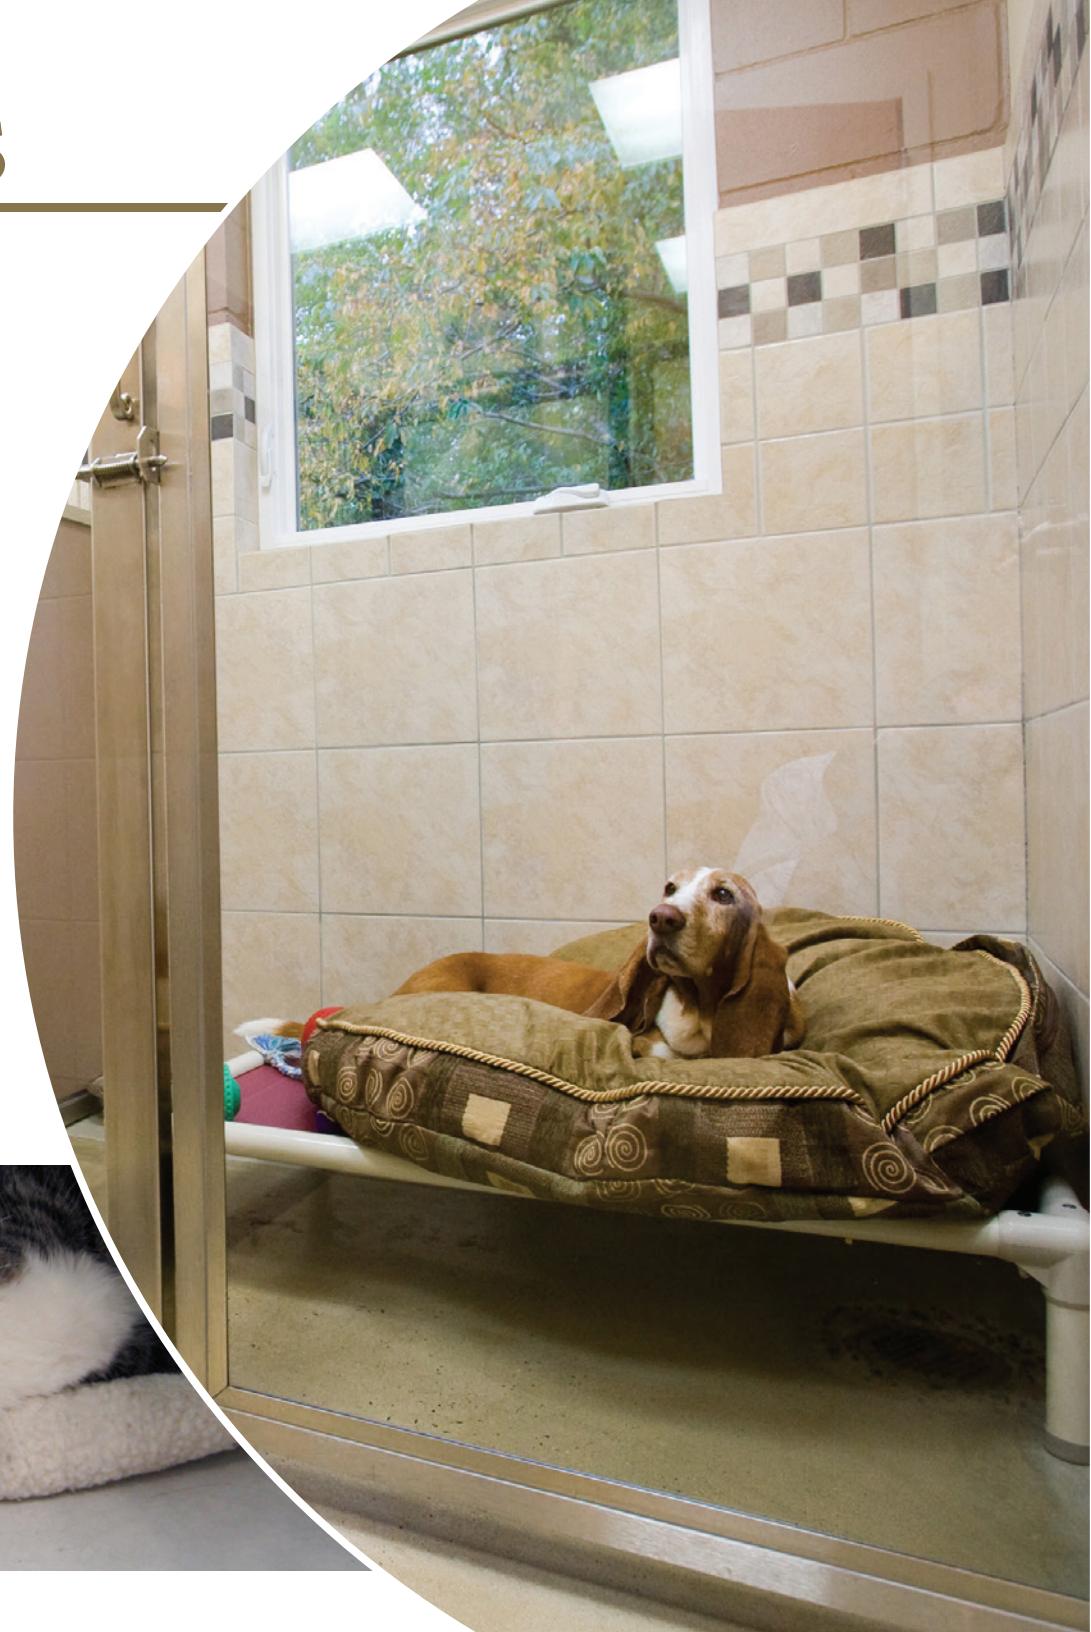

We provide a low-stress lodging experience for your pet by maintaining a home-like daily routine. In a calm, comfortable environment, pets are more likely to eat well and remain healthy and stress-free.

# ACCOMMODATIONS

Quiet, comfortable accommodations are furnished with a soft fleece blanket, Kuranda beds, radiant heated floors and room service two to three times daily. We pay close attention to cleanliness and providing a comfortable, odor-free environment.

Because we know how stressed cats can get, our feline condos are isolated from the canine population. Condos have window views of the woods surrounding our hospital, creating a peaceful environment.

Our covered, outdoor exercise area has overhead radiant heating for colder days, and cooling fans to circulate fresh air during the warmer months.

# SPECIAL NEEDS

Many boarding facilities are not staffed to achieve the level of care required for pets who have specific medical needs. Our medical team at Oakhurst Veterinary Hospital has the experience and expertise to cater to special needs guests.

# ACTIVITIES

We offer 3, 4, and 5 Star VIP packages to suit your pet's needs, as well as Seasonal and Spa Packages throughout the year. These packages can be added on to your Deluxe Room Rate.

We also offer individual activities a la carte: private leash walks, play times, pet massages, bedtime stories and tuck-in, peanut butter and frozen yogurt loaded Kongs, and happy hour treats. All feline guests will receive private time in our kitty playrooms.

# PET SPA SERVICES

We know there's nothing like a fresh and clean pet. Oakhurst Veterinary Hospital offers our Spa Essential Bath service for 30% off while your pet stays with us. This also includes a complimentary toenail clip and ear cleaning.
