

# MILLER & ASSOCIATES

## SPORTS MED APPRENTICE

Miller & Associates, a leading equine veterinary practice, is seeking a dedicated and passionate individual to join our team as a Sport Horse Veterinary Apprentice. This unique opportunity offers an intensive and fast-paced learning experience focused on the care and management of high-level sport horses. You will receive guided mentorship from industry experts, with the unique opportunity to learn directly from a former US Show Jumping Team veterinary practitioner. Our apprenticeship program is designed to nurture your growth as an equine veterinarian. Under direct supervision you will acquire expertise in equine gait evaluation, imaging, orthopedic therapies, podiatry, diagnostics, therapeutics, and client communication. You will also be collaborating with a network of veterinary specialists, including Boarded Surgeons, Boarded Ophthalmologist, and Boarded Internist, as well as gain hands-on experience with advanced imaging techniques such as MRI, CT, and Scintigraphy. All our veterinarians are provided with Chevy Suburban's outfitted with state-of-the-art equipment for on-site diagnosis and treatment.
