

WAIVED EXAM FEES FOR PET+ER COLUMBIA REFERRALS

Thank You for Your Partnership

To further ease the transition and help your clients access the care their pets need, we will be waiving exam fees during our last two weeks of being open. Our goal is to reduce financial barriers so that pets can continue receiving the timely and necessary care they deserve.

About The Program

- Same-day referrals of a patient from their primary care veterinarian to Pet+ER COLUMBIA
- Waived exam fees
- Same exceptional quality of care

How Does Your Patient Qualify?

- A doctor from your practice contacts one of our doctors to discuss the patient following their examination.
- Medical records are sent to the clinic prior to the patient's arrival. Please email medical records and diagnostics (radiographs, lab work, US reports, etc.) to: **columbia.cvrc@nva.com**.
- The patient was seen at your hospital within 48 hrs of the referral.
- The patient must be checked in at Pet+ER Columbia by 11 pm on the day of the referral.

To Transfer

A Patient, Contact us:
