## **Behavior Questionnaire**

Behavior is an important aspect in your puppy and/or kitten's life. By answering the following questions, if applicable, the doctors and staff at North Lake Veterinary Clinic can assess and provide essential information to aide you in ensuring behavior wellness for your pet.

<b>Canine Companions: Please check <i>yes</i> or <i>no</i>.</b>	<b>Yes</b>	<b>No</b>	<b>I would like handouts</b>
1. Does your puppy have problems with house training?			
2. Would you like to learn about crate training for your puppy?			
3. Does your puppy nip, bite, or mouth people while playing?			
4. Does your puppy chew on things it should not?			
5. Does your puppy hide behind you or bark constantly when strangers come near?			
6. Does your puppy ignore you when you call?			
7. Would you like information on teaching your dog the basic <i>sit</i> , <i>down</i> , <i>stay</i> , and <i>come</i> commands?			
8. Does your puppy or dog act anxious during thunderstorms?			
9. Does your puppy jump up on people to get attention or say "hi"?			

<b>Feline Friends: Please check <i>yes</i> or <i>no</i>.</b>	<b>Yes</b>	<b>No</b>	<b>I would like handouts</b>
1. Is your kitten having problems consistently using the litter box?			
2. Does your kitten scratch or chew things it should not?			
3. Does your kitten bite or scratch you or other people?			
4. Do you play with your kitten using your hands or feet?			
5. Does your kitten jump up on tables and counters?			
6. Does your kitten pounce on your legs or feet?			
7. Do your other pets have problems getting along with your kitten?			
8. Has anything changed in your household that may affect your kitten?			
9. Is it stressful for your kitten or cat to travel?
