

FERNANDINA BEACH ANIMAL CLINIC BOARDING CONTRACT

Our clinic strives to provide a safe & comfortable boarding experience for your pet.

To ensure the best possible care for your animal, please review our boarding policies listed below. If you have any questions, feel free to inquire at the front desk.

- A variety of canned food is available for picky eaters!
- If your pet requires a special diet or you would like to bring food from home, please leave detailed instructions with the receptionist.
- All boarders must be picked up by 4:30 pm. Any pet checking out after that time will be charged for that nights boarding.
- Comfortable bedding is provided for ail guests; if you would like to bring bedding please understand it may get diffy or damaged while in the kennel. However, we reserve the right to decline any bedding or toys that are not considered safe by our doctors.
- Walks are given twice daily in the morning and evening, extra walks are available for an additional \$4.00 per day.
- Please inform our staff if your pet has an ongoing medical condition that requires daily medication. A medication fee may apply and will be added to your bill.
- All guests must be fully vaccinated & have proof of vaccines.
- At time of check-in, all animals will be given a capstar de-flea pill. The fee varies by size of the animal.
- Should any minor illness or injury occur while your pet is boarding, our veterinarians will assess & treat accordingly, any charges will be applied to your
- In the event of a major medical problem a reasonable effort will be made to communicate with the owner prior to administering veterinary care. Please provide an emergency contact in case we are not able to reach you:
