

Rehab Service Steps

How does it work?

- 1** Schedule 60 minute initial consultation
Erica will discuss your goals and concerns, then give you a personalized rehabilitation plan for your pet.
- 2** Start the rehabilitation plan
Erica will begin the rehabilitation plan through either daily, weekly, or at other time intervals indicated for your pet.
- 3** Alleviate pain and improve your pet's quality of life
Feel a sense of satisfaction by improving the quality of life for the pet that improves yours!

What can we help you with:

- Preventative, proactive treatment
- Pain management
- Disease process and injuries
- Post-operative from surgical procedures
- Weight loss
- Conditioning for sporting dogs and agility
