

Canine Essentials

Essential Care Package

Basic wellness

Covers the exam and core vaccines needed to keep your adult dog healthy year-round.

- **Wellness Exam:** A thorough examination
- **Core vaccines:** Rabies, DHLPP, Bordetella (Distemper, Hepatitis, Lepto, Parainfluenza, & Parvo)
- **Fecal Testing:** A Microscopic Analysis of Ova and Parasites.
- **Heartworm Test:** Detects the presence of heartworm disease.
- **Nail Trim:** Our technicians will provide your pet with a nail trim

Canine Complete

Total Adult Wellness

Perfect for adult canines

The perfect time for a dog's initial adult wellness check is generally during their first annual veterinary visit, around the age of one, once they have completed their puppy vaccinations and growth. This visit is an opportunity to conduct yearly bloodwork, which can help identify diseases early, even before any symptoms become evident.

- **Everything in Essentials:** Wellness exam, Rabies, DHLPP, Bordetella, Fecal, Heartworm Test, Nail Trim
- **Adult Wellness Lab Panel:** CBC, Chemistry, Electrolytes

Canine Gold

Comprehensive Plan for the Golden Years

Ideal for Dogs Aged 7+

Designed for senior dogs, this package includes comprehensive labwork and extra savings for complete, age-appropriate care.

- **Everything in Essentials:** Wellness exam, Rabies, DHLPP, Bordetella, Fecal, Heartworm Test, Nail Trim
- **Senior Wellness Lab Panel:** CBC, Chem, Electrolytes, Total T4, UA
- **Discount:** Enjoy a 5% discount* on any additional services received on the same day.
